LYSANDER

Finalists in Best Leadership Development Program 2019 & 2022:

DISCOVERING THEIR INNER LEADER

This powerful two-day workshop empowers participants to explore their individual path towards leadership and its potential for the future. Through immersive experiences and one-on-one debriefs about their CLS360 results, which have been gathered from both the digital module and the two-day face-to-face program, leaders will gain valuable insights into their strengths and areas for improvement. With the addition of two personalised debriefs, participants will have ample time to review and reflect on their progress, and walk away from the workshop with a renewed sense of purpose and focus to inspire transformational change in their part of the business.

Upon completing the program, participants will be able to:

- Reveal full leadership potential with heightened awareness of how the leadership approach impacts those around. Through an evidence-based CLS360 assessment and a focus on agency and communion, gain deep insights into leadership style and discover what it takes to become a transformational leader
- Take ownership of the personal leadership journey and refine the approach to deliver real impact. With powerful insights and deep reflection, unlock the key to transforming leadership style and becoming a more effective leader
- Develop a powerful transformational leadership capability and unleash full potential. With a focus on clear actions and results, learn how to enhance leadership performance and fuel real change
- Embrace the mindset and capabilities required to sustain a shift towards a more effective leadership approach. Gain the tools and insights needed to achieve full potential as a leader and achieve desired business goals.

ARE THERE ANY WORKSHOPS?

A two-day face-to-face workshop provides the opportunity to share knowledge, practice and consolidate learning, allowing leaders to interact with their peers, and receive the opportunity to gain insights and build powerful new connections.

HOW MANY MODULES ARE THERE?

Our program includes a self-paced digital module designed to provide insight into leadership styles, a CLS360, evidence-based assessment, and one-on-one debriefs to unpack their results.

WHO SHOULD ATTEND?

For mid-level leaders who are committed to unleashing their full potential, stimulating high performance, and creating positive change. It's a transformative journey that inspires clarity, strategy, and engagement amongst direct reports.
